Layout Design

HTML5 / CSS3  
JavaScript  
WordPress

Java / C++  
PHP / MySQL  
Microsoft Office

## Experience

### Freelance Web Design and Development

*1998–Present*

I have been doing Freelance Web Design/Web Development since 1998 and, in those 21 years, I have designed and coded sites as well as themed CMSs.

**JohnJett.com:** Redesigned website and made it responsive; installed and themed Koken; wrote and edited copy; wrote a manual for using Koken

**CrystalAcids.com:** Designed logo and website; created illustrations; edited copy; coded in PHP, MySQL, and Smarty; themed WordPress; optimized database

**Local businesses:** Designed and coded websites for local businesses, including Mid-Atlantic Racing Stables and Synersys, Inc.

### Le Figaro Hors-Série

*Illustrator — Dec 2014–Jan 2015*

Created illustrations using Illustrator and Photoshop for an article on Shakespeare

### NetHawk — Dallas, TX

*Sales & Marketing Intern — 2006*

Improved organization with Excel spreadsheets; acted as an administrative assistant and event coordinator; copy edited marketing documents

### Bay Engraving & Design — Huntingtown, MD

*Graphic Designer — 2000–2001*

Designed T-shirts, business cards, plaques, and other business items in Illustrator

## Education

### Southern Methodist University — 2014

Certificate Program in Web Design

### Dallas County Community College — 2012–2013

Continuing Education Spanish Language courses

### University of Texas at Dallas — 2005–2008

*A TEC (Arts and Technology) Program*

Bachelor of Arts, Focus on 2D Art and Graphic Design

## Recognition
